

Poor Paul The Psychic Octopus

No play on words necessary for this blog post – there really was a Psychic Octopus named Paul who lived in Germany, and he recently passed away at the ripe old age (for an octopus) of 2½ years.

In his lifetime, however short it seems to us humans, [Paul made himself famous](#) with his uncanny ability to predict World Cup game winners correctly! Before games, Paul would receive 2 boxes of mussels, one each with a flag of the countries of the two teams who would be facing off in the World Cup. The country whose box was eaten out of by [Paul](#) first was declared Paul's pick as the winner of that match, and he predicted correctly an astounding 100% of the time (8/8) for his World Cup predictions, and 86% (12/14) overall.

RIP • Paul the Octopus • 2008-2010
