

# Just trying to add a little more info

If you notice on the right hand bar, there is a new widget.

I'm looking through all of my pictures to see if I can find animals that will represent various moods. After I catalog those moods, I hope to find a way to easily switch them to my current frame of mind.

Maybe that will give you an indication of what was going on in my head during the latest posting. I won't guarantee that it will reflect past posts, just the most current.

**IF**, and that is a big if, I get this working to my satisfaction, maybe I will share.... Right now it is only a text widget. Not at all what I am working toward, but I like the pictures.
