

# I didn't know that.

A few years ago a movie came out and was release to critical defeat. As for myself I enjoyed the movie except for a few minor problems. I found it to be an enjoyable waste of time (just what I like in most movies).

The movie was [The League of Extraordinary Gentlemen](#). One of the biggest things that bothered me was the introduction of Tom Sawyer into the movie. On top of that he was a Pinkerton agent. I kept saying to myself, why bring in that character as a detective. Didn't make much sense to me. Of course Dorian Grey wasn't in the original comic either, but that didn't bother me as much.

Then I got my Nook! (Yep, another Nook post. Think I could get money to write reviews for my Nook?) I just finished a short story, from Mark Twain, that I never read or heard of before. The story was called [Tom Sawyer, Detective](#). While he was not a Pinkerton agent, he did use observation to solve a crime. So now after the years I've complained about Tom Sawyer being a detective in that movie, I guess that following the path that Twain left, it isn't that far out into left field.

There is another story that I have yet to read about Mr Sawyer and Mr. Finn called [Tom Sawyer Abroad](#). Tom and Huck are on a balloon expedition in Africa. I guess that allows the trip to England for Tom anyway.

Just one question about the movie, if the film people actually knew about these stories: Where was Huck? ☐
