

Sometimes Just One Word Can Mean A Lot

Like in a newspaper's picture caption. Many locals make fun of our county's newspaper; pointing out miscellaneous typos, erroneous information and errors, but today's typo in the following picture caption is kind of a big oopsie:

The line for the H1N1 virus snakes through the parking lot at the County Fairgrounds Wednesday afternoon.

Obviously our county does not have people lining up to get the H1N1 **virus**; the replacement word here in case you've fallen asleep is *vaccine*. *The line for the H1N1 vaccine snakes through...*

Now **that** would be one nasty small-town rumor!
