

Saturday arrived

My youngest is settled in to her new apartment with her new roommates. I'm settled in to my new routine with the dog and chinchillas. Ok, not really settled in. We both are in our new places.

Her apartment is a nice place. I was thinking a bit small for 4, but it shouldn't be too bad. I think the de finitely only want to have one person in the kitchen at a time. They do have two bathrooms, so that shouldn't be too bad. They did have enough junk food to last for a while. I'm interested in hearing about how the four girls get along. I'm sure with her experience with all of her sister, my little girl should do just fine.

The college did have activities planned for this evening for all of the new residents. #1 it got the parents and other family members to leave and #2 it gave all the new students a chance to get to know each other.

I may blog more on my experiences living alone. It has been a few years since I spent more than a week or two on my own. That will be different.
