

# MacGyver . .

Full shows available on the internet. Who would have thought of that. I also have enough speed to watch one as long as I don't make the screen too big or watch anything else.

I really liked that show when it was on. What I thought was great, is that some of the things he did would actually work.

I can't remember how many I tried out. Yes, even as an adult I did try some of the MacGyverisms. My wife thought MacGyver was good looking, so she didn't have a problem watching the show either. She got mad when I sprayed a lightbulb with water once. Hot lightbulbs explode when they get wet. Who would ever have thought that would work in real life. Glass shards all over the place... I was more careful after that. I waited until the house was empty to try new things.

Well anyway you can watch whole episodes of Macgyver on an IMDb link [here](#).
