

Not a review, but a recommendation...

IRON MAN 2 – Let's see... Comic book movie? check. Cool FX? check. Decent story line? check. Some humor? check. Believable comic book action? check. Downey plays Stark as a Jerk? Check.. Bad guys, good guys? Check. Cool fights? check. Entertaining for me? Double check.

Ok, it had everything I wanted in a movie tonight. With most comic book movies, I don't really care if it follows the storyline in any comic before. Heck, most of them have had multiple dimensions, timelines, worlds anyway. What is one more? When you go to one of these movies, you should know what to expect. All you need to ask is if the story you just watched was fun. That's what comic books are all about, and that is what movies based on comic books should be.

Iron Man 2 was fun. That's it! No terrible acting that made me remember it was a movie. No strange bad effects to ruin the believability. The CGI was integrated into the live shots well. 2 hours of escapism. Fun stuff.

Full review comes later with spoiler alerts but not here. Just my recommendation. This is a movie I will go to the good theater to see again. Maybe more than once. And then when it comes out on home disk, it is coming home with me. Can anyone say Marvel Comic Movie Marathon?
