

Did You Say MacGuffin Or McMuffin?

Perhaps in an attempt to cash in on the Indiana Jones craze sweeping the nation (not to mention this blog), a treasured crystal skull was stolen from a New Age store in Claremont, California.

Let me just point out that I was nowhere near California on the date in question.

Perhaps authorities should begin by questioning the ~~two~~ three young men (?) responsible for grave robbing to retrieve a skull to use as a bong. I was surprised to learn of the laid-back nature of the store. Although they have never had any trouble with shoplifting in the past, it would seem that such a high profile item would draw considerable attention. As with the MacGuffins (the Ark of the Covenant, Sankara stones, and the Holy Grail) used in the previous 3 Indy adventures, the crystal skull does have its basis in reality perhaps just not as widely known as some of the others.
