

Smurfingly Insider Info

It's no secret that there is a big screen version in the works of the popular little blue 80's tv characters known as The Smurfs. I haven't heard much buzz about this, just enough to know that it's in development. I don't know if it's going to be live action, CGI-enhanced, or 3D (though I would guess that with the growing popularity of 3D that this might not be a bad idea). I do know that the main roles are rumored to have been cast, and this is the news that shocked me and prompted this post – [Quentin Tarantino as Brainy Smurf?!?](#) If this movie is going to be live action, this is going to be interesting... my money is going on Tarantino doing the voice-over for the character, not actually being made up as Brainy Smurf and doing the acting. Although perhaps the actors will film the movie and then be “drawn” over, ala Avatar. But however they do it, I will surely be checking it out as I was a huge fan of The Smurf's cartoon in the 80's – I even had a Smurf's record! Who can forget the toothbrush song?!? I listened to this over and over as a kid and was pleased to find it on youtube. (I would like to apologize to my friend Carol in advance – DO NOT click the video, Carol!) Oh, and by the way, they've slated Katy Perry as Smurfette, and Jonathan Winters as Papa Smurf. No word on Gargamel yet, although Neil Patrick Harris apparently has a role as a “live” character who helps the smurfs (Johan or Peewit?). And Alan Cumming is Gutsy Smurf – who the heck is Gutsy Smurf? Is this going to be a parody movie of the Smurfs, much like the Brady Bunch movies (which actually did a great job of hilariously spoofing the 70's tv show)? Staying tuned!
