

Actor: Not Believable as a Human Being.

If you've seen friends you might remember the episode when Joey, a often unemployed and ridiculously bad actor, gets a review that reads "Not believable as a human being."... Well, today I am the received such acclaim.

I am in a local production of the Nerd and play the title character or Rick Steadman; the Nerd.

With such choice phrases used as "over the top" and "upstages the others" and "hard to believe he is a real person" it is indeed time to ask myself the question... Am I as bad as Joey?

The good news is the show itself got a good review and so did some of my VERY WELL DESERVING castmates!! ☐ ☐

Oh well. I can only learn for next time. I have always found myself a little better at dramatic roles; not a character actor am I. For now I will have to live with "not being believable as a human being" – or at least "hard to believe he is a real person".
