

It's Not the Years, Honey... It's The Mileage

It seems that everyone is getting in the Indiana Jones spirit. While chatting with a friend I was directed to the [Chicago Cubs'](#) website and the [schedule](#) thereof. On the May 22nd space, there appears a picture of Harrison Ford as the reknowned archaeologist ready to embark on his latest adventure. We speculated that all of baseball may have decided to take the day off to celebrate Dr. Jones' return to the big screen. Somehow, I had my doubts. Sure enough on the [New York Yankees'](#) [site](#), there appeared the same picture but a game was listed. So, I thought all of baseball was celebrating but just not taking the entire day off. I checked out the [Detroit Tigers'](#) [schedule](#): there it was again, but yet again the team has a scheduled game. Only makes me more anxious for the next 21 days to go quickly.

Check your favorite team's website to see if they are celebrating the release of *Indiana Jones and the Kingdom of the Crystal Skull*. At least a Yankee fan had something to divert his attention to tonight ☐
