

Disney's First Day

Disney had her first day at her new preschool last week, and she had a great time! She really likes going to preschool every day! Here are some pictures of her on her first day. One picture features her little brother who wanted to go to preschool too, but he's such a cool dude that he got right over it and is happy going to pick her up every day (despite his parents making him wear the Chicago Cubs shirt):

Disney's First Day Of School!

My almost 4-year-old daughter Disney joined her sisters in the profession of "student" the other day- it was her first day of

prechool, and she LOVES it!!

Here is the cutie on her first day:

A Note To Add To That Last Post...

I will be one of those frantic parents in the Walmart checkout line on the first day of school. I've never been there to witness them myself, but I know they exist; I'll find out for sure tomorrow when I join them. Yes, I planned ahead well

enough to buy the necessary school supplies, but what I failed to do was to supervise the middle-schooler who was excitedly stuffing her new backpack, apparently ignoring the direction to "pack what's on your list". Not really her fault – like I said, I should have been supervising her more carefully. But as a result, our 4th grader now has a locker full of 4th grade school supplies AND Kindergarten school supplies (she brought them to school last Friday during orientation), while our Kindergartner has an empty backpack.

We could follow our oldest daughter into her new middle school tomorrow to repo her sister's school supplies, but I'm pretty sure being the only student whose parents follow her into school (especially with little brother and sisters in tow) could cause her emotional damage beyond repair. I'll take my chances at Walmart.
