

I Needed To Smile Today

I did the Macarena with a phone because Big Bird said to and he's my leader.

The subject of this post, my friends, is the result of an email forward I got today. It's one of the stupidest forwards, yet somehow irresistable at the same time. I posted it below if you want to try it. I didn't have the nerve to bother my friends with this at work, so I decided to post it on my blog instead.
