

Haunted items...

While surfing for stuff to put in our haunted house, I came across [this site](#) that has a lot of FX that we may be able to use. Fake hands, heads, zombies, and some other cool stuff.

I wasted a good bit of time just checking out the FX. Most can be done on our short budget too. We have the wood, but we would need some of the other items to make molds and finish off the projects.

So any of the people working on the haunted house, check this out. I will be adding different sites to this blog if I find anything else we can use.
