

Teacher videos

I was taking a look at [Teachertube](#) today and found something interesting. Now this is something I have yet to have to do as a substitute- play a video from the teacher. Apparently this teacher left **video** instructions on what the kids would do in class that day. If I were his sub I think I might appreciate it as he was able to go into some detail on how to navigate a website on the Pilgrims. Sure, I could follow written instructions and show the kids myself, but in case of an internet-illiterate sub this would be the next-best thing to the teacher being there. Take a look for yourself. Teachertube is not yet a valid site for embedding so you will have to click the link:

Oh, and while you're there check out [The Amazing Dancing Sub](#). Now I once sang a bit for a class after I told them I was in a show and they wanted a sample, but dance? I don't *think* so... This guy definitely has a unique calling card for teachers (note the end of the video). ☐

Miscommunication

Well, I thought I was teaching at church today, but I found out otherwise- right before I was going to teach. As the kids sang worship songs, I went into an adjoining room to look over the lesson again. When I came out, the family pastor was

there with his Bible ready to teach. Oh well. I was actually going to ask him last night, but I talked to another teacher who said he saw on the email the ones who would teach this weekend and he thought my name was on it- also that the email said that this month would be the same schedule as last month. So I decided not to bother John. It looks like I should have bothered him after all. Plus when I talked to him afterward I think I may have sounded like I was shifting the blame to that other teacher I talked to when in fact it was me who decided not to talk to the one I should have. I hope I'm just being critical of myself. Anyway, one of the kids I saw earlier this week made it to church, but the other one didn't. Oh well, I hope he shows up next week while I still remember his name. ☐

Well, perusing Worthyboards I encountered this Godtube video I thought I would share. It's about fitting into church. Just so you're prepared , it was in their humor forum...

I also learned of another video site while looking for a teaching example- it is called [Teachertube](#)! Needless to say, I will be looking through some of these videos, hopefully to post about here!
