

Life as a sub in Florida

If C ever wants to sub, he'd better not do it in Florida... This sub was unceremoniously let go after doing a magic trick for the students. His sub supervisor (I guess they do things differently over there- no sub supervisor here) called him in and accused him, of all things, *wizardry*. Seriously. Read the story at the link below:

[Teacher Fired for Magic Trick, County Calls It "Wizardry"](#)
