

The Mole – FINALE!!!

***SPOILER ALERT!!!** The following blog post contains a synopsis of the final episode of the ABC reality show, The Mole. Do not read if you don't want to know what happened!*

Last night's Mole finale did not disappoint. Well, maybe for those of us who got 0 points in the tangents.org mole poll... But as far as dragging out the results episode like most reality shows do, the Mole was not guilty of this. The episode was only an hour long, they still had one elimination to reveal, and they revealed the winner of the game without dramatizing things by adding a commercial break. Turns out, good guy Mark took home the cash, all so his wife can stay home with the kids and not work anymore (be careful what you wish for; sometimes I wish *I* could go back to work and get away from the daily chaos of the chorus of crying kids!). Then, it was time to reveal the mole... but first a dramatic commercial break, of course! We returned from commercial, and they milked it even further with some more dramatic pausing... and then we learned – CRAIG is the MOLE!

At least I don't have to go back and count up points for our tangents.org mole poll – I believe Jamiahsh is the only one who ever guessed Craig, therefore, with 1 point, he is the winner of our tangents mole poll!

After the big reveal, which happened quite early in the hour I might add, compared to the way they've done things in past mole seasons, time was spent recapping episodes with the knowledge of the mole's identity. It was fun to see the different contestants' reactions to Craig being the mole, and it was even more fun to watch the clips that were recorded during the playing of the game of them suspecting Craig. I always like when they explain the hidden clues from every episode that (supposedly) pointed to the mole. I say supposedly pointed to the mole because a few of the clues were

far-fetched; for example the business about the latitude and longitude. One of the clues I liked is the one where they altered the background where Craig was giving an interview. There were two "i" statues, and they altered them so there were 4 "i" statues when Craig was doing his interview. Get it? 4 "i"'s = four eyes – Craig is the only player to wear glasses.

Anyway, it was a great season like always. Even though I lost the tangents.org mole poll, I'm actually glad I did because if Nicole (she was my guess) was the mole, I would have felt it was so obvious it actually would have dampened my enthusiasm for another season. But since I was SO taken by surprise, as far as another mole season goes, I say, bring it on, and soon!
