

100!

This is my *100th* blog post! What a long way I've come from my first blog post, aptly and boringly titled, "First Post" – it was a description of me learning to blog! And what a variety of subjects I've covered, from retractable sharpie pens, to kids' blankies... from movies and tv shows to animals, trips, and family life... It seems like forever ago that I was taking you all through the 11, 572 snow days we had, and it's been fun to share all these aspects of my life on the internet while learning things about my friends and family who read and/or comment on my posts. So thanks to all my readers, even if you just read because I make you, thanks anyway... I truly appreciate each and every comment I receive – written and spoken, keep it up! And might I add that I'm the first tangents.org blogger to achieve this milestone... hope to have others join me soon!
