

15 Years Since Doubtfire?!

We put in the movie [Mrs. Doubtfire](#) for the kids the other day, and I was curious about what happened to the youngest daughter in that movie, [Mara Wilson](#), because I've always thought she was so cute. So I looked it up on [imdb.com](#), and discovered that this movie is 15 years old already!!! Which means that little Natalie, the cute girl from the film, is almost 21 years old! I looked her up elsewhere on the internet because I get curious about the "where are they now" aspect of celebrities, and I found the following interview she did while promoting a Cinderella stage play she was in. It was from 2006, when she was 18, but little "Natalie" is all grown up, and it's weird to see her as an adult... well, a legal one anyway. Here is a link to the video:
