

Rollbacks Are Extinct!

Just a short little venting post because I made my weekly stop at Walmart today... and not one, not two, but **THREE** price increases awaited me!

1. drawstring kitchen garbage bags – when I started shopping at Walmart in Ohio only 5 years ago, these were \$1.33 / box of 20. Last time I went to Walmart, they were \$2.88 for the same box, and today, they are \$2.98 for the same box that was \$1.33 not more than 5 years ago! That is more than **DOUBLE** the price in 5 years!

2. bananas – when they opened our brand new SuperWalmart a few years ago, they pretended like the regular price of bananas was a cheap \$.29 / lb. but the truth is, I haven't seen them at that price since! They have gone up and down constantly, and are now a whopping \$.67 / lb – the most expensive bananas I have ever seen and I refuse to pay it! And let's face it, Walmart has the worst looking produce I've ever seen!

3. dryer sheets – before today were \$.88 / box. Today, they decided we should have to pay \$.96 / box. If they go over \$1, I will no longer be getting my dryer sheets at Walmart.

To complete my complaint session, I actually had to email Walmart the other day to complain about their photo service. I used to get all my digital photos made into prints at Walmart because it was cheap and convenient. I would order between \$1-\$10 at a time. Since I have a lot of kids, they (used to) get lots of business from me. But now they won't let me pay for my orders in the store. I like to order the pictures when I take them; sometimes there are only a few at a time. And I refuse to sit there and make teeny weeny charges on my credit card over the internet every few days – it's a bookkeeping nightmare, not to mention how little trust I have

in Walmart after all the other crap they always pull.

About the grocery prices, I understand that there is something called inflation, but this is ridiculous! No wonder Walmart has abandoned their "rollback" campaign – rollbacks are extinct!
